Experience

Graphic Designer
Kasut U Sdn. Bhd.

2024 - Present

- Produced **high-volume e-commerce and marketing visuals** for footwear products across social media and online marketplaces.
- Created and edited approximately **300 product images** per month, including retouching, overlays, and marketplace-ready visuals.
- Produced around **90 TikTok videos monthly**, handling content creation, editing, captions, and scheduling.
- Designed campaign materials, promotional banners, social media graphics, and e-commerce assets for Shopee and TikTok Shop.
- Integrated AI-generated images and videos into the creative workflow to **accelerate content production**.
- **Developed and improved** creative workflows, including tools and automation for repetitive design tasks.
- **Traveled** to retail outlets and campaign locations for on-site video shoots, capturing promotional and social media content.

Experience

Graphic Designer
Jovian Selcare Pharmacy July 2023 - December 2023

- Produced digital and social media content for pharmaceutical, health, wellness, and consumer products.
- Designed promotional graphics, campaign visuals, posters, and other marketing materials.
- Created video content and motion graphics for social media and promotional campaigns.
- Handled product photography and image editing for marketing and digital content.
- Maintained visual consistency across different content formats while supporting ongoing marketing campaigns.

Graphic Designer Intern
Jovian Selcare Pharmacy Jan 2023 - June 2023

- Supported the creative team in producing social media graphics, promotional materials, and marketing content.
- Assisted with product photography, video editing, motion graphics, and social media content production.
- Transitioned into a full-time Graphic Designer position after completing the internship.

Freelance Graphic Designer
Self-Employed / Freelance 2021 - Present

- Worked with clients on social media graphics, branding materials, promotional visuals, and digital content.
- Managed projects from client brief and concept development through revisions and final delivery.
- Created design solutions based on different brand styles, target audiences, and campaign requirements.
- Communicated directly with clients regarding timelines, feedback, revisions, and deliverables.

Awards & Achievements

- **2nd Place**, Sign Language Poster Competition, Polytechnic
- **3rd Place**, VArtCOMP 2021, Video Competition
- **Top 8 Selected**, Maybank MyTIGER Values Art Competition 2022
- Developed pose concepts and outfit designs for an existing Visit Johor mascot, with the final designs **adopted for use across multiple locations** in Malaysia.
- Developed SizeChartPLS, a custom tool that streamlines size-chart creation from raw product data, supporting batch generation and **reducing repetitive design work**.
- Produced a TikTok product video that went viral, generated approximately **RM5,000 in GMV** from a single video, and contributed to the featured product selling out.
- Produced an educational Instagram Reels video that surpassed **1 million views** and generated strong audience engagement, significantly expanding content reach and visibility.

Languages

- **Malay** — Native
- **English** — Professional Working Proficiency
